

— COMPANY OVERVIEW

CINEMATIC STORYTELLING. INSTITUTIONAL EXECUTION.

Aperture NY LLC is a Bronx-based public storytelling and communications studio specializing in cinematic video production, photography, and digital content for government agencies, cultural institutions, tourism initiatives, nonprofits, and community engagement programs. We combine cinematic production craft with operational discipline — delivering broadcast-quality content organized for stakeholder review, public release, and long-term archival.

— PAST PROJECT EXPERIENCE

SELECTED WORK

Documentary-Style Event Videography — Multi-Borough Coverage

Client: Small Businesses & Community Organizations • Bronx, Manhattan, Westchester

Full production lifecycle — pre-event coordination, multi-angle capture, editing, color grading, and delivery for organizational archives, internal communications, and digital distribution.

Public Outreach & Community Storytelling — Nonprofit Documentary

Client: Nonprofits & Community Organizations • Bronx, New York City

Community-focused documentary content capturing authentic narratives and organizational programs — visual media supporting public outreach and community engagement goals.

Post-Production & Editing Services — Multi-Client

Client: Individuals, Small Businesses, Nonprofits • New York City Region

Narrative editing, color grading, audio mixing, captioning workflows, and format-specific output for web, social media, and archival use across multiple client engagements.

Real Estate Visual Documentation — Photography & Marketing Media

Client: Real Estate Developers & Private Clients • Bronx, Westchester, Mt. Kisco

Photography and visual documentation for residential and commercial properties — marketing-ready image libraries for MLS listings, client presentations, and portfolios.

— OPERATIONAL CAPABILITIES

HOW WE DELIVER

Structured Media Delivery

Organized file packages with clear naming conventions and format documentation.

Captioning & Transcripts

Full captioning and transcript workflows for accessibility compliance.

Archival-Ready Formatting

Content formatted for long-term institutional storage and future reference.

Review-Ready Packages

Staged delivery for internal stakeholder review before public release.

Multi-Platform Exports

Broadcast, web, social, and archival formats delivered simultaneously.

Rapid Turnaround Support

Expedited delivery timelines available for time-sensitive campaigns.

— PRODUCTION NETWORK

Aperture NY operates as a lean core team with a scalable contractor network — expanding with editors, motion graphics artists, translators, audio specialists, and camera operators based on project scope. Consistent broadcast-quality delivery at any scale.
